SERVANT LEADERSHIP WEEKEND

Servant Leadership Weekend 2010 is August 6-8 in the heart of Denver at Our Lady of Lourdes Parish. Several hundred Catholic high school students (grades 9-12) will gather to be challenged and become equipped with skills for making a positive difference for Christ—in every area of their lives.

Each student attending must be chosen for participation by their youth minister. Students will attend in groups representing their church and will be chaperoned by adult leaders (1 adult for every 10 students) from that church. Students may not attend SLW without an adult chaperone from their group.

SLW '10 is designed for motivated Christian Catholic students who are eager to learn how they can impact their world. It is a joy-filled, hands-on experience! Come learn, be challenged and grow in the knowledge and wisdom of your faith as it applies to your daily life.

CHRIS STEFANICK

Christopher Stefanick shares the love of the Father with tens of thousands of people, both nationally and internationally, every year at retreats, rallies, and chastity assemblies...but he is most proud that he gets to share that love with his wife and five kids.

This 12-year Youth and Young Adult Ministry veteran served at a parish in the East LA area and is currently Director of Youth, Young Adult and Campus Ministry for the Archdiocese of Denver.

Chris is a regular in Catholic media, appearing on Relevant Radio, Catholic Answers Live, EWTN, and in nationally syndicated articles. He recently authored his first book, "Do I Have to Go? – 101 questions about the Mass, the Eucharist, and Your Spiritual Life."

BRIAN GONZALES

After graduating from the University of Tulsa, Brian Gonzales embarked on a 5-year journey as a volunteer and teacher in Cusmapa, one of the poorest towns of Nicaragua. During his time there he began a music school for the children of his town, working in conjunction with the Fabretto Children's Foundation.

Once he returned to the United States, Brian completed his Masters in Music Education at the University of Northern Colorado. He is currently teaching full-time at the Cherry Creek Challenge School.

One of Brian's passions is to play live music, and he is excited to be providing the music for this year's Servant Leadership Weekend.
